

RECYCLE

Used Motor Oil, Filters,
and Bilge Pads

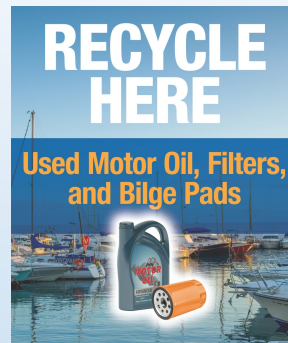

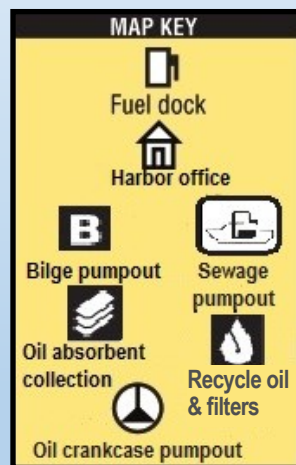

At Your Local Marina

Funded by
CalRecycle

Recycling used motor oil and filters is **easy** and **free** at local marinas. Marinas will also help you dispose of oil absorbent materials like bilge pads.

Recycle oil filters.
Metal oil filters contain
1lb of recyclable steel!

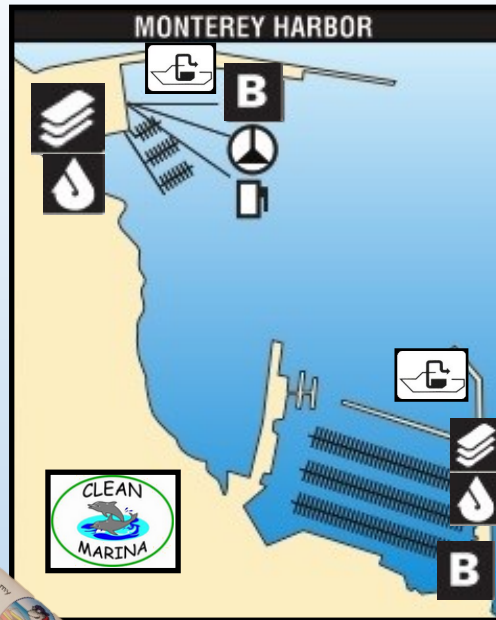

Call the marina about limits and hours when you're ready to recycle used oil, filters, and bilge pads.
